

Centre “EcoResource”. It’s situated on the 3rd (mansard) floor of the building on the Central sq. between the Main str. & pedestrian Kobylyanska str. near the City Hall.

The building on Kobylyanska str.2 belongs to the City and contains different offices, release of City newspaper & small restaurant.

we propose the current separate Seminars room (42 m²), which has also utility room. Approximately this room is used for seminars twice in a month.

Centre "EcoResource" office consist of two wings.

From antechamber (which we also use as cloak-room) there are two doors – the right door is the entrance to the seminars room.

Room is equipped with two writing desks for computers & seminars furniture for 25-30 persons, multimedia and overhead projectors.

Besides the Seminars room of Centre “EcoResource” in the building also can be used more large hall for approximately 100 persons on the 1st floor (behind the windows of balcony).
